CINDY ADAMS

columnist, dog lover

Jazzy Park Avenue Dog founder and ASPCA board member Cindy Adams is best known for her daily syndicated column in the *New York Post*, which she has written since 1981.

The native New Yorker has also been a regular contributor to ABC's *Good Morning America* and has appeared on many other television shows, including WNBC's *Live at Five*, CNN's *Larry King Live*, E! Entertainment Network's *Gossip Show* and ABC's *Politically Incorrect*.

Cindy has written several books, is a frequent lecturer, and designs jewelry in her spare time. She lives in New York City with her dogs, Jazzy and Juicy.

FOREWORD BY CINDY ADAMS

Travel is part of my job and my DNA. I'm someone who is always off someplace. I love it. I thrive on it. But I can't bear leaving my sweet little Jazzy and Juicy. Jazzy's five. He's four and a half pounds. Juicy's six. Minus an extra bite of chicken, she's three and a half pounds. To most people, they're Yorkies. To me, they're family.

That's why I feel we must try and make this globe a better place to travel with our pets—and JetBlue agrees with me.

Their new JetPaws™ program evolved out of the needs of pet lovers like me. JetPaws makes traveling with your dog or cat easier and more seamless. Jazzy and Juicy—who I love so much that if they could pay the maintenance I'd leave them my apartment—now thank JetBlue every time we travel.

My pet-product line Jazzy® Park Avenue Dog has partnered with JetBlue to create some great travel items to make taking off with a small four-legged creature even better. Jazzy and Juicy have personally tested JetBlue's signature pet carrier and travel kit to guarantee that these items provide the comfort and quality our little ones crave. I can honestly tell you that from chew bones to snack treats to water bowls, Jazzy and Juicy fully endorse the whole line.

JetPaws will make it easier to keep your pet in the comfort my dogs have grown to expect—and adore. Hope to see you on JetBlue with your animal family member soon.

XOXO

Cindy Adams

JETTING WITH YOUR PET

Traveling with the furry little ones shouldn't be difficult. This guide will teach you all about Travel Petiquette™, the social graces of pet travel, and guide you through the ins and outs of jetting with your pet from the moment you book your flight to your arrival at your final destination

BOOKING YOUR FOUR-LEGGED FRIEND

JetBlue gladly accepts small cats and dogs in the aircraft cabin on both domestic and international flights. To book your pet, call 1-800-JETBLUE (538-2583). Pets cannot be booked online. Keep in mind:

- There is a nonrefundable pet fee per flight segment.
- A limited number of animals are allowed on each flight, so book your pet early.
- The combined weight of your pet and carrier may not exceed 20 pounds.
- Your pet and carrier will count as your one carry-on personal item.
- Only one pet is allowed per customer, with a few exceptions.

BEFORE YOU GO

Make sure you obtain the following items before you travel. You will be asked to present them at check in.

- Proper pet vaccination and documentation for each destination of your trip. Currently there are no vaccination or health requirements

for pets on domestic flights. Pets to/from an international destination, including Puerto Rico, require proper documentation. For details, visit [jetblue.com/jetpaws](https://www.jetblue.com/jetpaws)

- Identification tags and licenses
- A carrier that does not exceed 17" L x 12.5" W x 8" H. Your pet must be able to stand up and move around in the carrier with ease. Keep in mind:
 - Combined weight of the pet and carrier may not exceed 20 pounds
 - Carriers must have a leak proof bottom and be well ventilated
 - Soft-sided and hard-sided carriers are acceptable
 - Only one pet per carrier is allowed

Canceling your pet reservation

If you would like to cancel your pet reservation, please call 1-800-JETBLUE (538-2583) prior to departure or the fee credit will be forfeited. If you call to cancel before your scheduled departure, the nonrefundable fee can be converted to a JetBlue air-only credit and applied toward future travel for one year from the date of issuance.

JetPaws™ Travel Checklist

Traveling with your pet can be lots of fun as long as you are well prepared and informed. Use the checklist below to ensure you have everything you need for a trip as smooth as your companion's coat.

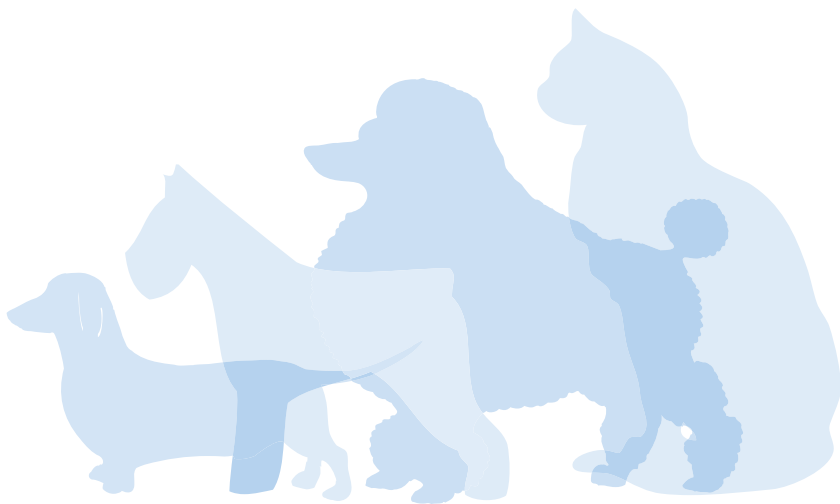

- Required vaccinations and documentations
- Tags
- Licenses
- Airline-approved pet carrier
- Snacks and treats
- Pet supplies during your stay. JetBlue offers a nifty Pet Travel Kit which includes a blanket, a bowl and a bone in a carrying bag. Check it out at [jetblue.com/shopblue](https://www.jetblue.com/shopblue).
- Give your pet a workout. When pets are tired, they sleep better and are more likely to quickly adapt to new surroundings.

AT THE AIRPORT AND IN FLIGHT

Travel Petiquette counts the most the moment you arrive at the airport and begin your journey.

Become familiar with the following regulations to make sure you and your beloved companion aren't left behind.

- We recommend you check your pet in at the airport's Full-Service counter.
- Pet carriers are subject to being searched by airport security authorities.
- When passing through security, you will be asked to hold the pet and walk through while the carrier is x-rayed.
- Your pet and carrier will count as your one personal item.
- Pets must remain inside a closed carrier while at the airport and in the aircraft.
- You must exit the airport and return through security if your pet needs to relieve itself.

JETTING DIGS

PET-FRIENDLY

PLACES

A central graphic element consisting of a white rectangular area with a blue double-line border. The text is centered within this area. The words "JETTING DIGS" are on a blue ribbon banner. The words "PET-FRIENDLY" are in a large, bold, sans-serif font. The word "PLACES" is in a smaller, bold, sans-serif font, flanked by two horizontal lines. The corners of the white area are decorated with blue floral scrollwork.

HOTELS, RESTAURANTS, PARKS AND ANIMAL HOSPITALS BY CITY

There are lots of pet-friendly places out there; the following are just a few of the most popular hotels, restaurants and parks in some of JetBlue's major cities that we recommend. We've also included some really great animal hospitals in the event your pet needs medical attention. Always call ahead before visiting an establishment to make sure their pet policies haven't changed. Here's some helpful information about these places:

HOTELS

When booking a hotel, make sure you let them know you're bringing a pet. Always ask about the hotel pet policies. Some hotels have rules, such as requiring that pets are not left alone in the room, that might require some extra planning on your part. If you're looking for a luxury, pet-friendly hotel, a good resource is [LuxuryPaw.com](https://www.luxurypaw.com).

Some hotels offer packages and programs to provide your pet with a little extra pampering. Here are three of our favorites:

- **Kimpton Hotels:** Special pet packages include amenities such as food and water bowls, mineral water, temporary pet tags, gourmet dog cookies, walking services, dog sitting services, and even pet massages. Call 800-546-7866 for more information.
- **W Hotels:** Upon arrival, pets receive welcome packets containing a toy, treat, pet tag and clean-up bags with the W's PAW (Pets Are Welcome) Program. PAW rooms include amenities such as a custom W pet bed, food and water bowl with floor mat, a "Pet in Room" door sign, and special treat at turndown, and much more. Call 877-946-8357 for more information.

- **ALOFT Hotels:** As part of the arf(sm) pet program, pets are offered an aloft dog bed, bowl, “woof-alicious” treats, and toys. Call 1-877-GO-ALOFT for more information.

RESTAURANTS

- Most pet-friendly restaurants allow you to sit with your pet at their outdoor tables. However, they cannot sit on the chairs or tables.
- Always keep your pet leashed.
- Some restaurants provide water for your pet, but if they don't, come prepared with a portable water bowl.

PARKS

- Bring a leash. Some parks are off-leash or have off-leash areas, but it's good to always have one handy.
- Always clean up after your dog. Bring a pooper scooper or a plastic bag to pick up what your pooch may leave behind.

ANIMAL HOSPITALS

The animal hospitals recommended in this JetPaws Travel Guide are accredited by the American Animal Hospital Association (AAHA). AAHA is the only organization that accredits animal hospitals throughout the United States and Canada. AAHA-accredited hospitals adhere to the highest-quality standards available, ensuring the best care for your pet.

Additional pet travel websites

There are many websites where you can also find information on pet friendly places in all JetBlue cities. Here are a few we recommend:

- LuxuryPaw.com
- DogFriendly.com
- PetsWelcome.com
- BringFido.com
- PetsOnTheGo.com
- TripsWithPets.com
